HARBOR CRUISE

LOCKS CRUISE

Available Year Round

This 2-hour cruise shows you many sides of Seattle and ventures through Elliott Bay, Ballard Locks, and Lake Union. You'll be the attraction to those on shore as your vessel raises or lowers through the government locks and transitions from salt to fresh water.

This is a one-way cruise and the **only** boat tour through the Ballard Locks! It begins and ends at two different centrally located docks with plenty of rideshare, public transit, and walking opportunities. View map for dock locations.

*"This is a great way to see Seattle and learn about the city as well as the operation of the locks. Great afternoon!" – Faith V*
